R. L. HAIGHT TO SPEAK IN CITY

Los Angeles Candidate For Governor Coming Saturday

TO INTRODUCE HIM

District Attorney Lilburn I. Gibson has ben requested by a number of the followers of Raymond L. Haight to introduce Mr. Haight when he comes to Ukiah to make an address Saturday and it is understood, will do so.

Raymond L. Haight who, no matter what vote he gets, will be a contender in the election in November for the governorship, will speak on courthouse plaza at 12 o'clock noon, Saturday next.

A Fearless Crusader.

The southern California candidate is making an aggressive campaign; he is young, a fighter and performed successfully as corporation commissioner in driving many crooked financial combinations from the state.

A High-Class Man.

While The Press supports another candidate for governor, it can only commend Raymond Haight in the highest terms. Voters who would know both sides of the fight for the governorship would do well to attend the Haight meeting.

Veterans Approve Merriam's Policy

Attorney A. L. Wessels is chairman of the Mendocino county veterans organization sponsoring the candidacy of Governor Merriam. John P. Mason, Gus P. Wallach and Sol Cohen are officers of the organization. Mr. Wessels reports the county veterans admire Governor Merriam's plan of "going to the heart of the Constitution and performing a major operation of economy instead of snipping at a few minor departmental limbs that are over-balanced in expenditure."

WINE TAXING IS CAUSING THE DESTRUCTION OF THE INDUSTRY

Asti Authority Finds Bad State of Affairs Prevailing In U. S.

Excessive taxation and regulation has taken over the work of outlawed prohibition statutes in paralyzing the legal wine trade in the United States, it was charged by Edmond A. Rossi, wine man of Asti.

What Is Wrong.

Mr. Rossi, president of the Italian-Swiss Colony at Asti, returned after a 10-week post-repeal survey of all important wine markets in the 29 wet states. "Although national prohibition repeal became effective eight months ago, American wine consumers are still suffering from a hangover of the prohibition era," said Mr. Rossi.

Too Many Regulations.

"Americans who want to buy wine as a table beverage cannot buy it because excessive taxation and regulation imposed by state and local governments make it too expensive. Anyone would think, when visiting some large cities, the people had voted to repeal prohibition on everything except table wine, the very beverage that was counted upon to restore temperance in the United States. I found most of the markets definitely interested in California wines, but unable to buy it. Americans generally favor the domestic product, realizing it is of equal quality to the average imported wine, but they find the price too high. State and local taxes, ranging as high as $1 per gallon are piled on top of the federal tax.

Too High Licenses.

"License fees range as high as $10,000 per year in one instance. There are innumerable instances of red tape. The cost of all this must be borne by the consumer, and this tends to make inexpensive wine into a luxury commodity. California and Nevada seem to be the only states which treat wine reasonably enough to make it an every-day table beverage, which it should be. Consequently these are the only states where wine is being consumed to any great extent. The rest of the states are still suffering from a new type of prohibition born of legislative experiments since repeal.

Few Bulk Sales.

"Only a few states permit the householder to buy wine in bulk. Consumers of moderate means cannot afford the extra cost of bottles and labels. Even the bulk sales suffer from high gallonage taxes and license fees. Reasonable prices and wide distribution are the only things that can make wine, the temperance beverage, available to the American public.

Wines Abolished.

"In one central state, table wines have been practically taken off the market already. The state liquor stores have a monopoly of beverages of higher alcoholic content and there is nobody to sell light wines, in which there is little profit. "The restrictions are defeating their own purpose, which is governmental revenue. The small quantities of wine sold pay little revenue.

Not Taxed Abroad.

"The fundamental mistake seems to be state legislators are failing to differentiate wine from liquor when it comes to taxation and regulation. Table wine, recognized as an article of food, is not taxed at all in the wine drinking countries of Europe. The legislative treatment of wine in this country since repeal is less fair than that given to liquor. Our federal taxes are $2 per gallon on liquor and 10 cents per gallon on table wine, a proportion determined by long pre-prohibition experience. But some state taxes on table wines are 250 to 500 per cent of the federal rate, while the same states tax liquor only 30 to 40 per cent of the corresponding federal rate.

Law Must Change.

"The only hope for wine consumers and the wine industry seems to be that the states must soon realize their mistakes. Forty-four legislatures will meet in January and we look for the lightening of the burden next year. Some mistakes have already been corrected."

The automatic Electric Range...

The automatic Electric Water Heater

THERE are many advantages to be obtained from the use of electricity for cooking. First, electricity is far cleaner to use; it keeps your kitchen looking newer everywhere, on walls, curtains, cabinets; it means no more blackened pots and kettles. You will have more time to give to other household duties and yourself when an automatic electric range is working for you in your kitchen.

Are these new and fine looking electric ranges expensive to buy, you might ask? Decidedly not. If you will look over the price list, you will agree that this year electric range prices are unusually low. And, of course, you can buy one for a small sum down and the balance on easy monthly installments.

It would be true economy to buy an automatic storage type electric water heater at the same time. The price for both the electric range and the water heater this year is no more than what you might expect to pay for the range alone.

Come in and see these 1934 low priced electric ranges and water heaters. Do it today.

HOPLAND WAS PROUD OF 'EM

Judge D. R. Ward And Don MacMillan Made A Hit

Special Correspondence of The Press

HOPLAND, Aug. 7. — An immense crowd from all sections of the Redwood Empire gathered Sunday to celebrate the opening by Governor Merriam of the new Cloverdale-Hopland branch of the famous Redwood Highway.

Made Big Hit.

The noted visitors were royally entertained by local residents. The principal speaker, among many who delivered short addresses was, of course, the Governor, who won all hearts by the simplicity of his words and by the genial manner in which he greeted all who cared to meet him personally.

They Came Back.

Sunday, August 5, will long be remembered as a red-letter day in the history of Sanel valley, many old-time residents making it a day of home-coming to the old home town.

They Deserve Praise.

Among those who labored to make the day a perfect one, we can not help mentioning with special praise Donald G. McMillan and Judge Don Ward, who were indefatigable in their endeavors to make the day a pleasant one for all who attended the formal opening and did themselves proud by the success of their efforts.

Came After Deer.

Henry Shearer, of Stockton, came up for the opening of the deer season and passed a few days in the home of his father, Milton Shearer.

Chief Ornbaun Got His Buck Easily

Right after deer season opened Chief of Police W. F. Ornbaun happened to be camping near Elk. His cabin was near an old apple orchard and he had for days seen deer eating apples in the orchard. Getting up one morning about seven o'clock Chief Ornbaun saw a big buck on his hind legs reaching for apples on a tree. He killed the buck, which proved a fine one, weighing 125 pounds.

At Poor Home.

Guests during the week in the home of Mr. and Mrs. George Poor were John Sullivan, A. H. Foreman, Miss Elizabeth Lodge, Leslie Lodge and Ed Spraggin, all of the bay district.

Had Two Strokes.

Henry Babcock, an old resident of Hopland, suffered two strokes of paralysis Monday of last week and is now in Ukiah General Hospital where a slight degree of improvement has been noted in his condition.

Over-Sunday Guest.

James Mann, of Oakland, passed the week-end on the Salinger ranch in McDowell Valley.

A Real Diana.

Mr. and Mrs. Lee Schumacher, of Sunnyvale, are guests of relatives here, coming up annually for the first days of the deer season. Mrs. Schumacher seldom fails to bag a deer, having better luck, usually, than the male members of her hunting party.

Had Ranch Guests.

Mr. and Mrs. Russell Patteson entertained over the week-end Mr. and Mrs. Fred Patteson and Mr. and Mrs. James Patrick, of Alexander Valley and Mr. and Mrs. Paul M. Mathews, of Ukiah.

Southern Lady Here.

Mrs. R. M. Seay, of Mississippi, is visiting a few weeks in the home of Mr. and Mrs. Jack Lee. The two women are sisters.

Went Up Highway.

Mr. and Mrs. F. E. Gibson and children and Mrs. H. H. Gibson motored to Crescent City for the week-end and visited in the home of Mr. and Mrs. Grenveld Knudsen.

Wayne Dooley was up from San Francisco Sunday and passed the day with his mother, Mrs. Dora Dooley.

Mr. and Mrs. Francis Allen, of Oakland, were guests recently in the home of Mr. and Mrs. Van Harpe, Sr.

Wed In Sonoma.

Miss Erlene Lindley, 16-year-old daughter of Mr. and Mrs. E. Lindley, and Herbert Ornbaun, 18, of Boonville, were married during the week in Santa Rosa. They will make their home in Boonville.

Mrs. Wm. Peters returned from Fresno, Monday, where she had been at the bedside of her mother, Mrs. M. Daniels, who was critically ill but is at present convalescing rapidly.

At Wedding Anniversary.

Mr. and Mrs. Robert Buckman returned Tuesday from Farmington, San Joaquin county, whither they went to attend the golden wedding anniversary of Mr. and Mrs. H. P. Buckman. A wedding dinner, consisting of all the delicacies of the season, including two huge turkeys and a large wedding cake, prepared by a caterer in Stockton, was partaken of by the following guests: Mrs. Mabel Walsh, son and daughter, of Stockton, Mr. and Mrs. F. E. Gibson, son and daughter, of San Mateo, Mrs. Beth Johns and son, of Oakland, Mr. and Mrs. Elmer Waterman and two sons, of Farmington, Mr. and Mrs. Irvin Buckman, of San Francisco, Wm. Buckman and Mr. and Mrs. Robert Buckman.

THE PART HE PLAYED IN IT

(Senator Herbert W. Slater in Santa Rosa Press-Democrat)

The approaching formal opening of the new Cloverdale-Hopland sector of the great Redwood Highway calls to mind the energetic pioneer work in behalf of the much needed change of route in which the late Senator Fred C. Handy of Mendocino county took part. Many of us would like to have had Fred present at Sunday's event at Hopland. During a tremendous rainstorm one night several years ago Senator Handy came down to Cloverdale with a party of citizens and joined the writer and several Santa Rosans and a large delegation of Lake county people at a meeting at Cloverdale, which formally adopted resolutions calling on the state highway commission to straighten the state highway between Cloverdale and Hopland. That started the ball rolling to the triumph which will be signalized at Hopland on Sunday.

GOVERNOR HONOR GUEST

(Continued from Page One)

Mendocino and Lake counties; Senator Herbert W. Slater, of Sonoma county; Assemblyman M. J. Burns, of Mendocino, Humboldt and Del Norte counties; W. F. Reardon and Dr. W. W. Barham; State Engineer C. H. Purcell, and Division Engineer Colonel John H. Skaggs.

Ended The Addresses.

Earl Lee Kelly, director of the state department of public works and Governor Frank F. Merriam were the concluding speakers. Previously during the program leading citizens of the area and men prominent in activities leading toward completion of the highway unit were introduced.

Colorful Indian Cremony.

Indian ceremonials, including a series of dances of the Hopland Indians, and tribal songs were presented at the conclusion of the program. The Fravel Brothers, three youthful 4-H Club members, presented a series of "hill billy" songs both during the program and at the luncheon session. They were introduced by Don Macmillan, who arranged the Hopland end of the program.

The Bay Program.

The morning program was held at Sausalito, in the town plaza near the ferry terminals. Here the barriers, in the form of a full-rigged yacht, manned by attractive Marin county girls, wos broken by Governor Merriam who was the concluding speaker at a short program. Others on the program included Mayor Webb Mahaffey, of Sausalito, Supervisor Frederick Tomson, Senator Charles F. Reindollar, Assemblyman Hubert Scudder, Col. John H. Skeggs, Arthur E. Dalton, Timothy J. Reardon, C. H. Sweetzer, of the U. S. Bureau of Public Roads, Earl Lee Kelly and Governor Merriam.

MONSTER CAT BROUGHT DOWN

State Hunter Bagged Panther Measuring Over Nine Feet

While everybody else was busy hunting deer, Gus Langeran, state hunter, went out and bagged a panther—the largest one he has taken in a long time.

Sought A Bear.

Mr. Langeran came down from Humboldt county in response to a call from the south coast section where sheep men have reecntly been bothered by a bear. Whn Mr. Langeran got there, the bear could not be started, evidently having shifted his location to another section. However, the hunter was told a panther had been making trips through that section once every few weeks and there seemed a possibility he might be started. The dogs were sent out in the neighborhood of his haunts and after a long period of cold-tracking they jumped the big cat and he went up a Redwood tree where Mr. Langeran came upon him shortly with the dogs singing a chorus on the ground beneath him. The hunter brought him down the first shot.

Was A Monster.

He measured nine and one-half feet and was one of the biggest the state hunter has killed. Undoubtedly he has taken a heavy toll of sheep in the time he has been going the rounds in the Mountain View section. Frank Piper went out with Mr. Langeran.

1 ——

AGAINST THE VETERANS' WELFARE BOND ACT OF 1933. This act provides for a bond issue of thirty million dollars to be used by the Veterans' Welfare Board in assisting California war veterans to acquire farms or homes.

(Submitted to the people by the Legislature of the State of California, at its regular session commencing on the second day of January, 1933.)

CHAPTER 686.

An act authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of State bonds, for the single object of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans' Farm and Home Purchase Act, approved May 30, 1921, and of any and all acts amendatory thereof or supplemental thereto; creating a Veterans' Welfare Finance Committee; defining the powers and duties of said committee and of the Veterans' Welfare Board and other State officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; appropriating money for the expense of preparing and of advertising the sale of bonds herein authorized to be issued; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1934.

[Approved by the Governor June 5, 1933. For effective date see Sec. 14.]

The people of the State of California do enact as follows:

SECTION 1. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans' Farm and Home Purchase Act approved May 30, 1921, and of any and all acts amendatory of or supplemental to said act, the Veterans' Welfare Finance Committee created by this act shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

SEC. 2. After the issuance of the proclamation of the Governor, provided for in section 16 of this act, and immediately after adoption of any resolution by the Veterans' Welfare Finance Committee hereby created, provided for in section 11 of this act, the State Treasurer shall prepare the requisite number of suitable bonds of the denomination of one thousand dollars in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this act shall not exceed the sum of thirty million dollars, and the bonds issued under any such resolution shall bear interest from the date of issuance of said bonds to the date of maturity thereof, at a rate to be determined by the said Veterans' Welfare Finance Committee and specified in such resolution, but in no case exceeding five per cent per annum. Both principal and interest shall be payable in gold coin of the United States, of the present standard of value, at the office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer, and shall be so payable at the times specified in said resolution or resolutions.

All bonds issued under this act shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be indorsed by the State Treasurer either by original signature or by a signature stamp adopted for each particular bond issue under this act and the said bonds shall be signed, countersigned and indorsed by the officers who shall be in office on the date of issuance thereof, and each of said bonds shall bear an impress of the great seal of the State of California. The said bonds so signed, countersigned, indorsed and sealed, when sold, shall be and constitute a valid and binding obligation upon the State of California, although the sale thereof be made at a date or dates upon which the officers having signed, countersigned and indorsed said bonds, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the time of signing, countersigning, or indorsing said bonds. Each bond issued under this act shall contain a clause or clauses stating that interest shall cease to accrue thereon from and after the date of maturity thereof and referring to this act and to the resolution of the Veterans' Welfare Finance Committee hereunder by virtue of which said bond is issued.

SEC. 3. The requisite number of suitable interest coupons, appropriately numbered, shall be attached to each bond issued under this act. Said interest coupons shall bear the facsimile signature of the State Treasurer who shall be in office on the date of issuance of the bond to which said coupons pertain.

SEC. 4. All bonds issued under this act and sold shall be deemed to have been called in at their respective dates of maturity and the State Treasurer shall, on the respective dates of maturity of said bonds, or as soon thereafter as said matured bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in section 5 hereof and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. He shall also, on the said respective dates of maturity, cancel all bonds bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof. The provisions of this section shall be applicable also to the interest coupons pertaining to the bonds authorized by this act to be issued, and shall be applicable, as far as practicable, to any duly authorized agent of the State Treasurer.

SEC. 5. There is hereby appropriated from the general fund in the State treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this act, as said principal and interest becomes due and payable.

There shall be collected annually in the same manner and at the same time as other State revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the general fund in the State treasury, all of the moneys in the specific fund into which the proceeds from the sale of the said bonds have been covered as herein prescribed, not in excess of the principal of and interest on the said bonds then due and payable and, in the event of such moneys so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the general fund in the State treasury out of said specific fund as soon thereafter as it shall become available, together with interest thereon, from such dates of maturity until so returned, at the rate of five per cent per annum, compounded semiannually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the general fund by the Controller of the State in favor of the State Treasurer or in favor of any duly authorized agent of the State Treasurer, upon demands audited by the State Board of Control, and the moneys to be returned into the general fund in the State treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller of the State upon demands duly audited by the State Board of Control.

SEC. 6. The sum of thirty-five thousand dollars is hereby appropriated out of any money in the State treasury not otherwise appropriated to pay the expenses that may be incurred by the State Treasurer in having said bonds prepared and in advertising their sale. Said amount shall be refunded to the general fund in the State treasury out of the specific funds into which the proceeds from the sale of said bonds shall be respectively covered in accordance with the provisions of this act on Controller's warrant duly drawn for that purpose.

SEC. 7. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the State Treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as the said Treasurer shall be directed by the Governor of the State, under seal thereof, after a resolution requesting such sale shall have been adopted by the Veterans' Welfare Board and approved by the Governor of the State, but said Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date; and with the approval of the Governor, he may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Before offering any of said bonds for sale the said Treasurer shall detach therefrom all coupons which have matured or will mature before the day fixed for such sale.

SEC. 8. Due notice of the time and place of sale of all bonds must be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the city of Sacramento and by publication in one newspaper published in the city of Los Angeles once a week during four weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the veterans' farm and home building fund and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of the Veterans' Farm and Home Purchase Act, and of any and all acts amendatory or supplemental to said act; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

SEC. 9. The Veterans' Welfare Board shall be and hereby is authorized, with the approval of the State Board of Control, to invest any surplus moneys in any of the funds subject to or appropriated for its use in bonds of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or any of them, at the governing market rates, upon approval of the State Board of Control; or, the Veterans' Welfare Board may, with the approval of the Director of Finance, invest moneys in any of the funds subject to the control of the Veterans' Welfare Board or appropriated for its use, in interest bearing certificates of deposit of State banks having a paid up capital of five hundred thousand dollars or more; provided, that the total amount of money so deposited with any one bank shall not exceed a sum equal to fifty per cent of the paid up capital of such bank; provided, however, that nothing herein contained shall inhibit or be construed to inhibit the depositing in banks in accordance with the provisions of an act entitled "An act to authorize and control the depositing in banks of moneys belonging to or in the custody of the State and to repeal all acts or parts of acts conflicting with this act," approved April 12, 1923, and of any and all acts amendatory thereof or supplemental thereto, of moneys of any of the funds subject to the control of the Veterans' Welfare Board or appropriated for its use.

Interest accruing upon the deposit of moneys appropriated for the use of the Veterans' Welfare Board or of any of the funds subject to the control of said board shall be paid into and credited to the respective appropriation or fund to which the money so deposited belongs.

SEC. 10. There is hereby created a Veterans' Welfare Finance Committee composed of the Governor, State Controller, State Treasurer, chairman of the State Board of Control, and chairman of Veterans' Welfare Board, all of whom shall serve thereon without compensation and a majority of whom shall be empowered to act for said committee. The Attorney General of the State shall be the legal adviser of the Veterans' Welfare Finance Committee.

Upon request of the Veterans' Welfare Board, supported by a statement of the plans and projects of the Veterans' Welfare Board with respect thereto, the Veterans' Welfare Finance Committee shall determine whether or not a bond issue under this act is necessary or desirable to carry such plans and projects into execution.

SEC. 11. Whenever the said Veterans' Welfare Finance Committee shall have determined that a bond issue under this act is necessary or desirable to carry such plans and projects into execution, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to prepare the requisite number of suitable bonds and shall specify:

1. The aggregate number, aggregate par value, and the date of issuance of the bonds to be issued.

2. The date or dates of maturity of the bonds to be issued and the number and numerical sequence of the bonds maturing at each date of maturity.

3. The annual rate of interest which the bonds to be issued shall bear.

4. The number, numerical sequence, amount or amounts and the dates of maturity of the interest coupons to be attached to the said bonds.

5. The technical form and language of the bonds to be issued and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Welfare Finance Committee shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Welfare Board from the project or projects to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, that the bonds first to mature in each issue, shall mature not later than five years from the date of issuance thereof; provided further, that specified numbers of bonds of specified numerical sequence shall thereafter mature at annual intervals; and provided further, that the bonds last to mature in each issue shall mature not later than forty-five years from the date of issuance thereof.

The rate of interest to be borne by the said bonds shall be uniform for all the bonds of the same issue and shall be determined and fixed by the Veterans' Welfare Finance Committee according to the then prevailing market conditions, but shall in no case exceed five per cent per annum, and the determination of said committee as to the rate of interest shall be conclusive as to the then prevailing market conditions. The interest coupons to be attached to the said bonds shall be payable at semiannual intervals from the date of issuance of said bonds; provided, that the interest coupon first payable may, if the Veterans' Welfare Finance Committee shall so determine and specify, be payable one year after the date of issuance of said bonds.

SEC. 12. All actual and necessary expenses of the Veterans' Welfare Finance Committee and of the members thereof shall be paid out of the fund into which the proceeds from the sale of said bonds shall be covered, upon approval of the State Board of Control and on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Veterans' Welfare Board.

SEC. 13. The State Controller, the State Treasurer and the Veterans' Welfare Finance Committee shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

SEC. 14. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 16. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for State officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.
